The Chamber & Our Strategic Partners

As Southwest Riverside County's premier business organization, the Murrieta/Wildomar Chamber is committed to economic development, legislative advocacy, and representing over 25,000+ regional jobs. As a catalyst for economic growth, we champion business, convene leaders and ideas, and foster a thriving, fun business community.

The Strategic Partners program showcases local businesses whose vital support drives the success of the Murrieta/Wildomar Chamber of Commerce. With a single, comprehensive investment, Strategic Partners gain premium visibility in Chamber communications and access to exclusive benefits.

These businesses go beyond membership - they champion the Chamber's mission, enhance the business landscape, foster valuable connections, and advocate for pro-business policies. Their involvement strengthens both the Chamber and the community.

This investment not only delivers personal rewards but also helps elevate the membership experience for all. Contributions to our 501(c)(3) arm, Impact Riverside County, also recognized within the Strategic Partner level, further amplifying their influence through meaningful new channels.
